

**BAVARIA 38**

### About the boat

From stem to stern the Bavaria 38 exudes pedigree. A generous, yet simply managed sail plan and the trademark deep keel gives the Bavaria 38 a turn of speed, easily harnessed by a short-handed crew. The cockpit is spacious and comfortable, whether carving to windward or at anchor with cocktails at sunset before dinner ashore. Below decks, Horizon's custom specifications provide three double cabins, a head and shower adjoining the sumptuously appointed saloon, full-size chart table, saloon table, sensible galley and rich mahogany joinery throughout. For a yacht with such attractive lines, she disguises a standard and strength of build rarely found in production yachts today.
